

COMPANY QUALITY POLICY

The company is dedicated to a quality policy which will ensure that its products and services meet the requirements of its customers at all times.

The company operates within Management Systems as identified by ISO 9001.

It is the Company's intention to maintain its leading position in the market through the provision of superior customer satisfaction levels.

All employees must have a positive commitment towards the requirements of its stakeholders and interested parties and respond quickly and effectively to achieve the performance standards set.

Each employee is a customer for work done by other employees or suppliers, with a right to expect good work from others to contribute to the corporate goal of customer satisfaction.

The management system requirements are fully documented and reviewed regularly to ensure full operation.

The requirements of the management programme shall be fully applied by all company personnel.
